

FrontCom® Vario

Service interface modular, you only pay for what you need

With more than 5,000 possible combinations, the FrontCom™ Vario gives you the ability to assemble exactly the interface you need: nothing more and nothing less.

Our modular service interface offers single and double frame versions, over 30 communication and power inserts and more than 20 insert plates, ideal for almost every configuration.

FrontCom™ Vario assures technicians fast access to control elements in a cabinet without having to open the cabinet door.

FrontCom™ Vario IP 65

IP 65 and UL 508 NEMA Type 12 Approval / Water Tight according to UL50.e Section 8.6

FrontCom™ Vario NEMA 4X

IP65 AND UL 508 / NEMA Type 4X approval

FrontCom™ MICRO

FrontCom™ MICRO

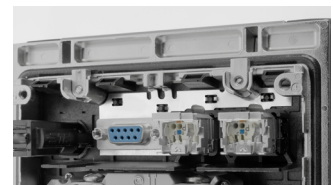

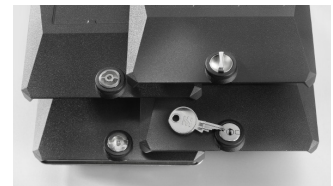

FrontCom™ Micro is the simplest solution for fast access to the cabinet

You want to configure your interface online right now – no problem
