

Product Discontinuation Notification for UR20-FBC-EIP (1334920000)

Dear Madam or Sir,

the product UR20-FBC-EIP (1334920000) has been discontinued and will no longer be available after a transitional period. Please pass on this Product Discontinuation Notification (PDN) to your employees and, if applicable, to your customers.

1. General overview

Type of discontinuation: ☐ short-term action (executed within the next 6 months)
☒ normal action (executed after 6 months)

2. General information

The discontinuation of the product UR20-FBC-EIP (1334920000) is being carried out against the background of evolving regulatory requirements for products with digital elements within the European Union. With the Cyber Resilience Act (CRA), binding requirements regarding cybersecurity, technical documentation, vulnerability management and conformity assessment will apply to such products in the future. The main obligations of the CRA will apply from 11 December 2027.

According to the current technical assessment, the product UR20-FBC-EIP (1334920000) does not meet these future requirements to the required extent. In order to continue offering our customers compliant, secure and future-proof product solutions in the long term, the product will therefore be systematically removed from the product portfolio. This measure is intended to create planning reliability at an early stage and enable a timely migration to suitable alternatives.

3. Affected parts

Discontinued part		Successor	
Material number / Short description		Material number / Short description
