

Product Discontinuation Notification to UR67 – Products**IP67 V14 Profinet modules with Push Pull connection, copper connection**

Dear Madam or Sir,

the items listed below from the u-remote IP67 product family have been subject to be discontinued and will no longer be available after a transitional period. Please pass on this Product Discontinuation Notification (PDN) to your employees and, if applicable, to your customers.

1. General overview

Type of discontinuation: ☒ short-term (executed within the next 6 months)
☐ normal (executed after 6 months)

2. General information

As part of our ongoing product maintenance and optimization, we have decided to remove certain items from our product range. These products have only been in low demand in the past, meaning that it is not economically viable to continue manufacturing and maintaining them. Instead, we will be focusing our resources on expanding our product range in line with current customer needs and new technologies.
