

Product Discontinuation Notice for the following products: IOT-GW30 / IOT-GW30-4G-EU / IOT-GW30-4G-NA

Dear Sir or Madam,

The articles listed below from the u-mation product family will be discontinued and will no longer be available from June 2027 or as soon as stocks run out. Please forward this Product Discontinuation Notice (PDN) to your employees and, if applicable, to your customers.

General Overview

Type of discontinuation:: ☐ short notice action
☒ normal (implemented after 12 months)

1. General Information

As part of the entry into force of the EU Cyber Resilience Act (CRA) and our ongoing product maintenance and optimization efforts, we are required to remove certain items from our portfolio in the future. The following items will remain available while stocks last. If stock is still available, the Last Call period is scheduled for June 2027.

Successor products are currently planned. We expect to begin actively sharing corresponding information from the third quarter of 2026.
