

Product Discontinuation Notification to u-control WL2000

Dear Madam or Sir,

the products of u-control WL2000 has been subject to be discontinued and will no longer be available after a transitional period. Please pass on this Product Discontinuation Notification (PDN) to your employees and, if applicable, to your customers.

1. General overview

Type of discontinuation: ☐ short-term (executed within the next 6 months)
☒ normal (executed after 6 months)

Short-term action due to:

☐ Software or firmware bugfix	☐ Delivery stop by supplier
☐ Short-term Recall by supplier	☐ Force majeure
☐ Product improvement	☒ other

Short-term action due to:

The reason for this decision is the entry into force of the Cyber Resilience Act (CRA) in 2027. The affected products do not meet the upcoming requirements and will therefore no longer be further developed.

2. General information

Please also note the document “**Software Maintenance for Discontinued Weidmüller Products in the Context of the EU Cyber Resilience Act (CRA)**”, dated **March 24, 2026**.

The devices can still be ordered until **September 30, 2027**. After this date, no further orders for new devices will be accepted.

However, to support service activities and ensure the availability of spare parts, the controller will remain orderable for an additional year. It is expected to be available under the same part number, although revised pricing may apply.

A suitable successor product, the **UC20-R2500**, is available for the affected controllers. The new controller is expected to be available and orderable from **January 2027** under part number **2927440000**.
