Technical change for 1543490000 SAI-WDF 8P M12 M16

Dear Madam or Sir,

Article 1543490000 SAI-WDF 8P M12 M16 will be changed after a transitional period.
Please pass on this Product Change Notification (PCN) to your employees and, if applicable, to your customers.

1. General overview

Type of change:

☒ **short-term** (executed within the next 6 months)
☐ **normal** (executed after 6 months)

Short-term action due to:

☐ Software or firmware bugfix
☐ Short-term recall by supplier
☒ Product improvement
☐ Delivery stop by supplier
☐ Force majeure
☒ other

Short-term action due to:

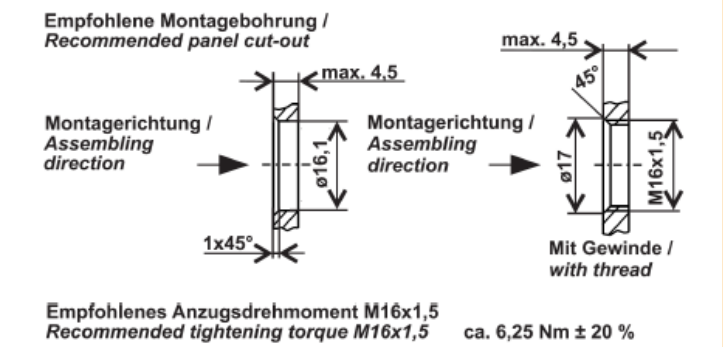

- Change of Production

2. Change details

As a part of this product change, the manufacturing process for the housing will change from a turned part to a zinc die-cast part. The dimensions of the wall feed-through will remain the same; only two sides of the thread will be flattened to prevent rotation. In a second step, the contacts used will be replaced with lead-free versions. Once the change has been fully implemented, the product will be RoHS-compliant without exception 6c. All approvals and other technical specifications remain unchanged.

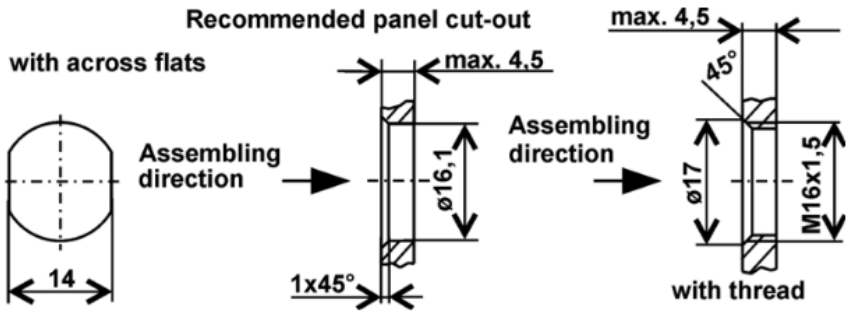

Old Design

New Design

3. Timeline

The complete transition of production will be completed by the end of Q1 or the beginning of Q2 2027. Due to existing inventory, mixed shipments may occur.

We hope that the changes will benefit your business and will not affect you in any significant way. We apologise in case of any inconvenience caused. Please rest assured that we will do everything possible to achieve this product change as smoothly as possible with minimum or no business disruption.

For further questions please contact your sales office directly. All contacts for sales representatives are available here: https://www.weidmueller.com/contact

Details of this and any other product changes can also be found in our Support Center by following the link: https://support.weidmueller.com/support-center/popular-resources/product-change-notifications

Best regards
