

Technical change to module RS DIN C 64S LP2N

Dear Madam or Sir,

The products listed below are subject to a product change and will be supplied in a modified revision. Please pass this product information on to your employees and, if needed, to your customers. All modifications mentioned have been made to support our ongoing commitment to continual improvement and ongoing product development.

1. Initial situation

Article on Section 5 was delivered in the past with LP2N connectors. In addition, it was delivered with Dekafix*

*Dekafix is the universal marker for terminals, plug-in connectors and electronic modules from the Weidmüller product range (see detail).

DEKAFIX detail

KSW detail

RS Interface product (w/ LP2N
and flat connector)

2. Technical change

Based on continuous improvement, the LP2N connector will be respectively replaced by LL2N connectors.
Furthermore, all the connectors will be marked with KSW strip markers.

3. Reason for change

Obsolescence of LP2N connector range.

4. Availability

Current products in stock still have old connectors. Since today new productions will be with new modifications detailed above.

5. Affected parts

1178161001 RS DIN C 64S LP2N

6. Data

PCN-number: 20231221
This document has indefinite validity from today

Date of publishing: 21-12-2023

We are very sorry for all the inconveniences caused and doing everything to adjust this product change as smooth as possible without big influence on delivery times and general functions.

For further questions please contact your sales office directly. All contacts for sales representatives are available here: www.weidmueller.com/contact

Best regards

Marc Bosch
