

Technical change to module RS F10 I/O8 LD LPK2

Dear Madam or Sir,

The products listed below are subject to a product change and will be supplied in a modified revision. Please pass this product information on to your employees and, if needed, to your customers. All modifications mentioned have been made to support our ongoing commitment to continual improvement and ongoing product development.

1. Initial situation

The article on Section 5 was delivered in the past with LPK connectors. Furthermore, it was delivered with Dekafix*

*Dekafix is the universal marker for terminals, plug-in connectors, and electronic modules from the Weidmüller product range (see detail).

DEKAFIX detail

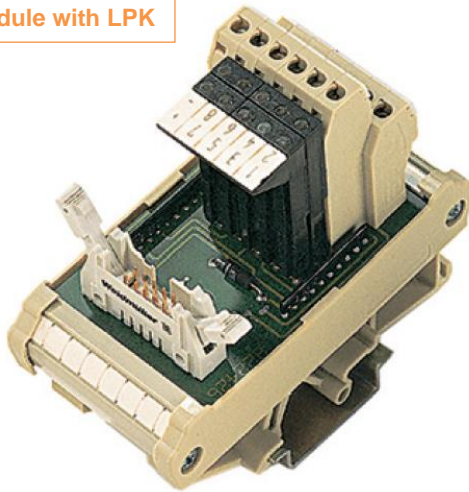

Tampoprint detail

2. Technical change

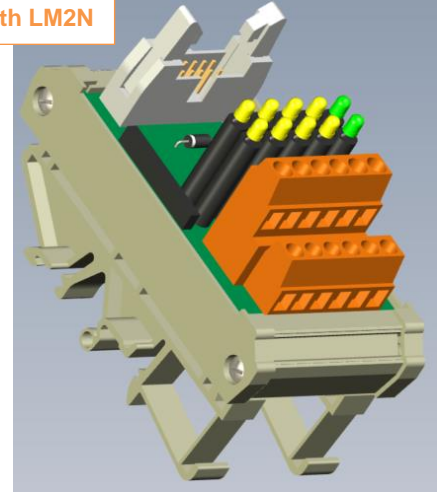

Based on continuous improvement the LPK connectors will be replaced by LM2N connectors with Tampoprint.

Old version	New version
<p>LPK 2H connector</p>	<p>LM2N connector</p>

Old module with LPK

New module with LM2N

3. Reason for change

Obsolescence of LPK connector range.

4. Availability

Current modules in stock may have old components. As soon as LPK connectors are finished, new productions will be done with the new modifications detailed above.

5. Affected parts

8224260000 RS F10 I/O8 LD LPK2

6. Data

PCN-number: 20240509

Date of publishing: 09-05-2024

This document has indefinite validity from today

We are very sorry for all the inconveniences caused and doing everything to adjust this product change as smooth as possible without big influence on delivery times and general functions.

For further questions please contact your sales office directly. All contacts for sales representatives are available here: www.weidmueller.com/contact

Best regards

Marc Bosch
