

## Change of packaging material for SFP Transceivers (valid for SFP transceivers for use with switches of Eco-, Advanced-, Substation and BasicLine series B)

Dear Madam or Sir,

the products listed below are subject to a product change and will be supplied in a modified revision. Please pass this product information on to your employees and, if needed, to your customers. All modifications mentioned have been made to support our ongoing commitment to continual improvement and ongoing product development.

### 1. Initial situation

Change of packaging material from clamshell blister (PET) to paper liner to reduce plastic use.

### 2. Affected parts
