

Product discontinuation notice for the stepdown bridge ZQV 35-10 from the Z-Series

Dear Sir or Madam

The products listed below are to be discontinued and will no longer be available after a transitional period. However, the function can still be fulfilled by the successors. Please pass this product information on to your employees and, if necessary, to your customers. These product discontinuations are being made to support our ongoing commitment to improvement and continuous product development.

1. Initial situation

This stepdown bridge was used to cross-connect a ZDU 35 with a ZDU 10.

*A direct successor we can only offer in our PUSH IN connection technology, A-Series. This successor is **NOT** applicable with ZDU 35 and ZDU 10.

The ZQV 35N-10 can only be used within the A-Series products A2C 35 to stepdown to A2C 10 or A3C 10.

2. Schedule / Availability

The article numbers will be available until the end of December 2025.

3. List of affected articles / follow-up
