

**Technical change to IE-SW-EL08-8GTPoE 2682400000
(EcoLine 8-Port Gigabit Ethernet unmanaged PoE-Switch)**

Dear Madam or Sir,

the products listed below are subject to a product change and will be supplied in a modified revision. Please pass this product information on to your employees and, if needed, to your customers. All modifications mentioned have been made to support our ongoing commitment to continual improvement and ongoing product development.

1. Initial situation

Product revision change due to EoL of used Switch IC and re-design of the PCBAs.

2. Technical changes**1.) Change of supported input voltage**

Article name	Article number	Input voltage current version	Input voltage new version
IE-SW-EL08-8GTPoE	2682400000	24/48 VDC	12/24/48 VDC

2.) Change of max. total PoE power budget related to input voltage of the Switch

Article name	Article number	Max. PoE power budget current version	Max. PoE power budget new version
IE-SW-EL08-8GTPoE	2682400000	60 W @ 24 – 49.9 VDC 120 W @ 50 – 57 VDC	60 W @ 12 – 23.9 VDC 120 W @ 24 – 57 VDC

3.) Change of grounding screw type

Article name	Article number	Grounding screw current version	Grounding screw new version
IE-SW-EL08-8GTPoE	2682400000	M3	M4

4.) Minor printing adjustments on the housing related to

- Grounding symbol
- Fault relay
- DIP Switch

Besides the changes shown under section “Technical changes”, there are no other changes in the product’s form, fit or functionalities.

3. Reason for change

Product revision change due to EoL of used Switch IC and re-design of the PCBAs.

4. Availability

From April 2026. We perform a running change to phase in the new product version. Therefore, availability of new product version depends on sales figures and stock level.

5. Affected parts

Article name	Article number	Current version	New version
IE-SW-EL08-8GTPoE	2682400000	V5.1	V7.1

Note: The product revision is shown on the box label and side label of the respective product.

6. Data

- PCN-number: PCN-PN48-20251103-00-B
- date of publishing: 9th October 2026
- revision number: B

We hope that the changes will benefit your business and will not affect you in any significant way and apologies in case of any inconvenience caused. Please rest assured that we will do everything possible to achieve this product change as smoothly as possible with minimum or no business disruption.

For further questions or if you need any additional assistance or information, please contact your local sales office directly. All contacts for sales representatives are available here: <http://www.weidmueller.com/contact>
