

Technical change - WAVE series' signal conditioners W*S* / W*Z*

Dear Sir or Madam,

the products listed below are subject to a product change and will be supplied in a modified version.

Please share this product information with your employees and, if applicable, your customers. This product change is the result of our ongoing commitment to further improve our products for you.

1. Initial situation

- Due to a cancellation, the plastic raw material in colour grey RAL 7032, as used for the housings of the WAVE series of signal conditioners, is no longer available.

2. Technical changes

- The color of the raw material will change from grey RAL 7032 to grey RAL 7035, which will be slightly different.
- This has no effect on the technical properties and functionality.

3. Reason for change

- Necessary change to same plastic raw material, but with a different colour.

4. Availability

- The changeover is expected to be implemented from March 2022 onwards.

5. Affected Parts

| Order No. | Article name | Order No. | Article name |
|------------|-------------------------|------------|------------------------|
| 8432130000 | WTZ4 PT100/3 V 0-10V | 8528650000 | WAS1 CMA LP 1/5/10A AC |
