

Product Modification for Pre-Assembled Cables with B2L 24P connector

Dear Madam or Sir,

The products listed below are subject to a product change and will be supplied in a modified revision. Please pass this product information on to your employees and, if needed, to your customers. All modifications mentioned have been made to support our ongoing commitment to continual improvement and ongoing product development.

1. Initial situation

All the lengths of the Pre-Assembled Cable 2582540xxx PAC-B2L24-F-M34-V0-LLLM were delivered in the past with the B2L 24 pole connector.

2. Technical change

Based on continuous product improvements and due to our cancellation strategy, B2L connectors will be replaced by B2CF connectors.

3. Reason for change

Obsolescence of B2L connector.

4. Availability

Once the remaining stock of old connectors is finished, new pre-assembled cables will be delivered with new connectors.

5. Affected parts

2582540xxx PAC-B2L24-F-M34-V0-LLLM

6. Data

PCN-number: 20230913

Date of publishing: 13-09-2023

This document has indefinite validity from today

For further questions, or in case any additional assistance or information is needed, please contact your sales office directly. All contacts for sales representatives are available here: www.weidmueller.com/contact

Best regards

Marc Bosch
