

Product Discontinuation for plastic PROFIBUS connector with SUB-D connection

Dear Sir or Madam,

the products listed below are intended to be discontinued and will no longer be available after a transitional period. Please pass on this product information to your employees and possibly to your customers. This product discontinuation is the result of our ongoing commitment to continuously improve our products for you.

1. Initial situation

Due to the current delivery situation, we are willing to ensure the availability of our products.

As a result, we are combining various product groups and discontinuing finished products whose availability cannot be guaranteed.

2. Schedule / Availability

The last order of the affected products will be possible until 30.11.2022.

From 01.12.2022 the products will no longer be available.

The follow up products of the cancelled products are shown in the table under point 3.

3. List of affected articles / follow-up
