

Product Change Notification to Cuttingtools

Dear Madam or Sir,

The products listed below have been technically modified and will no longer be available after a transitional period. Please pass this Product Change Notice (PCN) on to your employees and, if applicable, to your customers.

1. General overview

Type of discontinuation: ☒ short-term (executed within the next 6 months)
☐ normal (executed after 6 months)

Short-term action due to:

- | | |
|---|---|
| <input type="checkbox"/> Software or firmware bugfix | <input checked="" type="checkbox"/> Delivery stop by supplier |
| <input type="checkbox"/> Short-term Recall by supplier | <input type="checkbox"/> Force majeure |
| <input checked="" type="checkbox"/> Product improvement | <input type="checkbox"/> other |

Short-term action due to:

Our manufacturer announced a short-term delivery stop of a functional raw part of the tool (Swiftly, Swiftly Set). As a result, an additional function has been added to the Swiftly. The new Swiftly CS (Cut and Strip) now has an additional stripping function.

2. General information

Technological change, ecological action and competitive security of supply require temporary product adjustments or even consolidation.

Our strategy in this situation is therefore to drive technological change with our customers and expand customer benefits. For this purpose, an additional function has been added to Swiftly.
