

Technical change to Screwty® torque screwdriver

Dear Madam or Sir,

the products listed below are subject to a product change and will be supplied in a modified revision. Please pass this product information on to your employees and, if needed, to your customers. All modifications mentioned have been made to support our ongoing commitment to continual improvement and ongoing product development.

1. Initial situation

The design of the handle of the torque screwdriver will be changed.

2. Technical change

Technically, the torque screwdriver remains unchanged, only the design of the handle will change.

Old version	New version
	

* Colour variants still have the same colour in the new design.

3. Reason for change

Standardisation of the design.

4. Availability

When the current version is sold out, the system automatically switches to the new version. The article numbers remain the same. The changeover is expected to take place from Q4 2021.
