

PROCON-WEB version 6.11. or later

Licensing information

With the release of **PROCON-WEB version 6.11** on 11 March 2026, a new, more convenient licensing procedure was introduced, whereby **licensing** is carried out by default via a WIBU software key sent by email; a physical WIBU USB dongle remains available as an option for an additional charge. For customers with older PROCON-WEB versions (< 6.11), transitional arrangements apply regarding the use of Sentinel/Thales USB dongles.

A summary of the points mentioned is provided below.

- 1. Standard licensing:**
 1. WIBU software key
 2. Sent by email, quoting the order number
- 2. Optional licensing:**
 1. Physical WIBU USB dongle
 2. Surcharge: €85 net per dongle
- 3. Older PROCON WEB versions < 6.11:**
 1. Spare parts supply = replacement of physical Sentinel/Thales USB dongles possible until 31 December 2026
 2. €330 net per dongle
 3. Return of the defective dongle required
- 4. New installations with PROCON WEB versions < 6.11:**
 1. Licensing with physical Sentinel/Thales USB dongle possible until 31 December 2026
 2. Surcharge: €330 net per dongle (in addition to the licence costs)
- 5. From 1 January 2027:**
 1. Physical Sentinel/Thales USB dongles will no longer be available
 2. Sentinel/Thales licensing will only be available as a software licence/software key
