

## Technical change of USB cable 3.0 - USB A - USB A

Dear Madam or Sir,

the products listed below are subject to a product change and will be supplied in a modified revision. Please pass this product information on to your employees and, if needed, to your customers. All modifications mentioned have been made to support our ongoing commitment to continual improvement and ongoing product development.

### 1. Initial situation

The color of the cable sheath as well as the connector overmolding is blue

### 2. Technical change

The color of the cable sheath as well as the connector encapsulation is changed to black.  
The technical characteristics remain identical to the previous cable!

Initial version:

Changed version:

### 3. Reason for change

Currently, the previously used cables cannot be procured in sufficient quantity in the short term. The alternative cable is more readily available and thus improves the availability of the items listed below.

### 4. Availability

The mentioned USB cables will be available immediately. Due to still existing stocks of the cables, mixed delivery may occur. Both variants can be used equally without restrictions.

## 5. Affected parts

2581730005 IE-USB-3.0-A-A-0.5M  
2581730018 IE-USB-3.0-A-A-1.8M  
2581730030 IE-USB-3.0-A-A-3M  
2581730050 IE-USB-3.0-A-A-5M

## 6. Data

PCN-number: PCN-PB47-20220516-00-A  
date of publishing: 16<sup>th</sup> May 2023  
duration of validity: until further notice  
revision number: 00

We hope that the changes will benefit your business and will not affect you in any significant way and apologise in case of any inconvenience caused. Please rest assured that we will do everything possible to achieve this product change as smoothly as possible with minimum or no business disruption.

For further questions or if you need any additional assistance or information, please contact your local sales office directly. All contacts for sales representatives are available here: <http://www.weidmueller.com/contact>
