

Visual change: OMNIMATE® Power PCB terminal blocks and connectors

Dear Madam or Sir,

The products of the OMNIMATE® Power PCB terminal blocks and connectors are temporarily delivered without QR- Code sticker if necessary. Please pass on this product information to your employees and, if applicable, to your customers

1. General Overview

Type of action: ☒ PCN ☐ PDN ☒ Short-term action (< 6 months)

Short-term action due to:

- | | |
|--|--|
| <input type="checkbox"/> Software / Firmware Bugfix | <input type="checkbox"/> Short-term delivery stop by suppliers |
| <input type="checkbox"/> Short-term recall by supplier | <input type="checkbox"/> Force majeure |
| <input type="checkbox"/> Product improvement with customer benefit | <input checked="" type="checkbox"/> others |

2. Technical changes

To make the installation of our OMNIMATE® Power PCB terminal blocks and connectors more convenient for you, we have provided our products with a QR- Code some time ago. The QR code can be scanned and links the electrician to a handling / installation video.

The products of the OMNIMATE® Power PCB terminal blocks and connectors are temporarily delivered without this QR- Code sticker if necessary.

Old: exampel picture

New: exampel picture

3. Availability

With this letter we inform you that the change will be immediately implemented to the production.

4. Affected parts

The list of the affected parts is attached

5. Data

The technical data of each single product are not affected and can be found within the online catalogue

We are very sorry for all the inconveniences caused and doing everything to adjust this product change as smooth as possible without big influence on delivery times and general functions.
