

## Product consolidation D-SERIES DRI sockets

Dear Madam or Sir,

we hereby inform you that the below listed articles change. Please pass this product information only to your employees and possibly to your customers

### 1. General Overview

---

Type of notification:    ☒ PCN                      ☐ PDN                      ☒ Short-term action (<6 months)

**Short-term action due to:**

- |  |   |
|--|---|
| <input type="checkbox"/> Software / Firmware Bugfix                | <input type="checkbox"/> Short term delivery stop by supplier |
| <input type="checkbox"/> Short term recall by supplier             | <input type="checkbox"/> Force majeure                        |
| <input type="checkbox"/> Product improvement with customer benefit | <input checked="" type="checkbox"/> other                     |
- 

### 2. General Information

---

Mechanical adaption to increase finger safety.

All the changes mentioned have been made to support our ongoing commitment to continuous improvement and ongoing product development.

---

### 3. Availability

---

- Start of Production (SoP): 25.02.2015
- Time of change: **25.11.2024**

Deliveries in which the previous and new variants are mixed, unfortunately we cannot avoid.

## 4. Product comparison

The following adjustments were made to the products:

- Adding additional material next to the contacts of 12 and 22 as well as 14 and 24

The adjustment has no effect on the performance or technical data of the products.

This change is for finger safety purposes only.

The other components of the KIT (relay, retaining clip, LED module, etc.) remain unchanged.
