

Product Discontinuation for SAKS- Fuse terminal block

Dear Sir or Madam,

the products listed below are intended to be discontinued and will no longer be available after a transitional period. Please pass on this product information to your employees and possibly to your customers. All of these product discontinuations have been made to support our continued commitment for improvement and ongoing product development.

1. Initial situation

Due to low demand over the years, it has become increasingly difficult to maintain production at an acceptable cost. We must therefore now discontinue the production of the products listed below and therefore cancel them.

We offer suitable successors for the discontinued products.

2. Schedule / Availability

The articles listed below will be discontinued on 30.06.2026.

3. List of affected articles / follow-up
