

Product modification for PAC-NAI, PAC-HONEYWELL and C300 Pre-Assembled Cables

Dear Madam or Sir,

The products listed below are subject to a product change and will be supplied in a modified revision. Please pass this product information on to your employees and, if needed, to your customers. All modifications mentioned have been made to support our ongoing commitment to continual improvement and ongoing product development.

1. Initial situation

Articles on Section 5 were delivered in the past with clamshells 6720000100 /6720000101 with BLZ 5.08 Plugs.

2. Technical change

Based on continuous product improvements and due to our cancellation strategy, the clamshells mentioned in Section 1 will be replaced by the ones below with BLZP 5.08.

Both products have the same overall dimensions & electrical / mechanical performance.

For this reason, all the pre-assembled cables containing this clamshell will be updated with the new ones.
