

Technical change to: Torque screwdriver

Dear Madam or Sir,

the below listed articles will be supplied in a modified revision. Please pass this product information on to your employees and, if needed, to your customers. All modifications are performed for reasons of product improvements.

1. Initial situation

The old handle design is no longer available.

2. Technical change

No technical change. Only the handle design has changed.

3. Reason for change

Since current the version is no longer available, there is new version. The articles will continue to be produced by Wiha "made in Germany", have the same technical features as their predecessors and also offer the same quality. All previous bits and blades fit. Only the layout has changed and is now without the Wiha logo. There were no technical changes.

4. Availability

9918370000 – old version: range approx. 10 months
9918380000 – old version: range approx. 10 months
9918390000 – old version: range approx. 12 months
9918400000 – old version: range approx. 12 months

When the current version is sold out, the new version is automatically switched to.

5. Affected parts
