

Product Discontinuation for different articles from the tools portfolio

Dear Sir or Madam,

the products listed below are intended to be discontinued and will no longer be available after a transitional period. Please pass on this product information to your employees and possibly to your customers. All of these product discontinuations have been made to support our continued commitment for improvement and ongoing product development.

1. Initial situation

A review of our portfolio revealed a large number of items that are no longer sold on the market or are only sold in very small quantities. If a reduction in the range fits in with the overall strategy of the portfolio, the products are selected for discontinuation.

2. Schedule / Availability

The affected articles will be discontinued on 31.12.2026.

You are welcome to discuss until 31.12.2026 other options such as 'last call' directly with us.

3. List of affected articles

9036290000 HOOKBLA 0,25-1,5 SW

9036300000 HOOKBLA 1,0-2,5 SW

The discontinuation will take place without a successor.

For further questions or if you need any additional assistance or information, please contact your local sales office directly. All contacts for sales representatives are available here: <http://www.weidmueller.com/contact>

Best regards
