Short-term action due to:

- | | |
|--|---|
| <input type="checkbox"/> Software / Firmware Bugfix | <input type="checkbox"/> Short term delivery stop by supplier |
| <input type="checkbox"/> Short term recall by supplier | <input type="checkbox"/> Force majeure |
| <input type="checkbox"/> Product improvement with customer benefit | <input checked="" type="checkbox"/> other |
-

2. General Information

Modification of the RIM module connection point.

All the changes mentioned have been made to support our ongoing commitment to continuous improvement and ongoing product development.

3. Availability

- Start of Production (SoP): 02.05.2018
- Time of change: **26.06.2025**

Deliveries in which the previous and new variants are mixed, unfortunately we cannot avoid.

4. Product comparison

The following adjustments were made to the products:

- Redesign of the connection port of the LED/ protection module

The adjustment has no effect on the performance or technical data of the products.

This change of the metal pin is to improve product quality.

The other components of the KIT (relay, retaining clip, LED module, etc.) remain unchanged.

Versions without test button:

Before:

New:

Versions with test button:

Before:

New:
