

Product Discontinuation for Accessories SAK-Series

Dear Sir or Madam,
the products listed below are intended to be discontinued and will no longer be available after a transitional period. Please pass on this product information to your employees and possibly to your customers. All of these product discontinuations have been made to support our continued commitment for improvement and ongoing product development.

1. Initial situation

As a result of falling demand over the years, it has become increasingly difficult to maintain production at an acceptable cost. We must therefore now discontinue production of the products listed below and cancel them herewith.

2. Schedule / Availability

The accessories will be discontinued on 30.06.2026.
