

Technical change to field attachable M8 and M12 connectors

Dear Madam or Sir,

the products within the family of the field attachable M8 and M12 connectors will be changed.
Please pass on this Product Change Notification (PCN) to your employees and, if applicable, to your customers.

1. General overview

Type of change: ☒ **short-term** (executed within the next 6 months)
☐ **normal** (executed after 6 months)

Short-term action due to:

- | | |
|---|--|
| <input type="checkbox"/> Software or firmware bugfix | <input type="checkbox"/> Delivery stop by supplier |
| <input type="checkbox"/> Short-term recall by supplier | <input type="checkbox"/> Force majeure |
| <input checked="" type="checkbox"/> Product improvement | <input type="checkbox"/> other |

Short-term action due to:

- Standardization of the article description
- Addition of further product information

2. Change details

The article description of all field attachable M8 and M12 connectors enables a standardized article description on the one hand and adds further technical specifications on the other to make the differences between the products visible more quickly. **Important:** if the article is UL approved, this is not affected by the change to the article description. These articles are still UL approved.

3. Affected parts

All articles in the attached table are affected by the changeover.

4. Timeline

The changeover within production will take place from **now on**. Due to inventory levels, mixed stocks may occur in deliveries.

We hope that the changes will benefit your business and will not affect you in any significant way. We apologise in case of any inconvenience caused. Please rest assured that we will do everything possible to achieve this product change as smoothly as possible with minimum or no business disruption.

We are very sorry for all the inconveniences caused and doing everything to adjust this product change as smooth as possible without big influence on delivery times and general functions.
