Example Product 	

3. Availability

With this letter we inform you that the change will be implemented to the production by the beginning of 2023

4. Affected parts

A list of the affected articles is attached in the appendix.

5. Data

Technical data of each single product are not affected.
The required finger safe, clearance and creepage distances will be covered

We are very sorry for all the inconveniences caused and doing everything to adjust this product change as smooth as possible without big influence on delivery times and general functions.
