Dear Madam or Sir,

the products of 1250370000 will be changed.

Please pass on this Product Change Notification (PCN) to your employees and, if applicable, to your customers.

1. General overview

Type of change: ☒ **short-term** (executed within the next 6 months)
☐ **normal** (executed after 6 months)

Short-term action due to:

- | | |
|---|--|
| <input type="checkbox"/> Software or firmware bugfix | <input type="checkbox"/> Delivery stop by supplier |
| <input type="checkbox"/> Short-term recall by supplier | <input type="checkbox"/> Force majeure |
| <input checked="" type="checkbox"/> Product improvement | <input type="checkbox"/> other |

Short-term action due to:

The new tape improves the ability to hold the article in place and prevents it from slipping.

2. General information

The new tape ensures the positioning of the article more precise in the tape and enables therefore an automatic assembly of the product.

3. Change details

The new tape has the same outer dimensions and the same distances between the articles as the old tape. Only the inner geometry of the tape pocket in which the article is located has become smaller. The relevant dimensions for removing the article out of the tape have not changed.

4. Affected parts

Please see the below table for the affected articles.

Material number	Short description
1250370000	LSF-SMD 3.50/03/180 SN BK RL

5. Timeline

With this letter we inform you that the change will be immediately implemented to the production. All new orders will receive the new tape. Orders already placed can still contain the old tape.

We hope that the changes will benefit your business and will not affect you in any significant way. We apologise in case of any inconvenience caused. Please rest assured that we will do everything possible to achieve this product change as smoothly as possible with minimum or no business disruption.
