### 2. Technical changes

The product RASTFUSS SLAS RF 15 OR 1665 (2093330000) will be delivered in a different geometry. The width of the rail mount has been reduced from 20 mm to 12.8 mm. The change improves the ergonomic handling of the rail mount foot by easier mounting on the rail as well as on the connector side.

---

### 3. Availability

---

With this letter we inform you that the change will be implemented to the production in June 2022. There is no stock adjustment. Therefore, within a delivery from this date, mixing of variants may occur, but not in one packaging unit.

---

### 4. Affected parts

---

A list of the affected articles can be found in the attachment. The geometry change of the rail mount affects connectors as well as sets.

---

### 5. Data

---

Except for the geometry, all technical data and functional features will not be affected by this change. Detailed information on the technical data can be found for the products in the online catalog.

---

We are very sorry for all the inconveniences caused and doing everything to adjust this product change as smooth as possible without big influence on delivery times and general functions.
