

## Technical change to Multitool PV Set

Dear Madam or Sir,

the Multitool PV Set will be changed after a transitional period.

Please pass on this Product Change Notification (PCN) to your employees and, if applicable, to your customers.

### 1. General overview

Type of change: ☒ **short-term** (executed within the next 6 months)  
☐ **normal** (executed after 6 months)

#### Short-term action due to:

☐ Software or firmware bugfix  
☐ Short-term recall by supplier  
☐ Product improvement ☒ other  
☐ Delivery stop by supplier  
☐ Force majeure

### 2. General information

To promote sustainable production processes and reduce environmental impact, the plastic material used to date is being replaced by a recycled material made from regranulate. This change helps to reduce the consumption of primary raw materials, cut CO<sub>2</sub> emissions, and reuse plastic waste in a meaningful way. In this way, we are making an active contribution to environmental protection and resource conservation.

### 3. Change details

The new multitool is black and does not have a blade for removing the surge protection in the combiner boxes.

### 4. Affected parts

Material number	Short description
2771530000	Multitool PV Set

### 5. Timeline

With this letter we inform you that the change will be immediately implemented to the production.

We hope that the changes will benefit your business and will not affect you in any significant way. We apologise in case of any inconvenience caused. Please rest assured that we will do everything possible to achieve this product change as smoothly as possible with minimum or no business disruption.
