2. Technical changes

The new type of packaging contains tray inlays, which in turn are inserted into printed Weidmüller cartons.

The advantages of the sorted packaging are:

- Avoidance of transport damage and assurance of a high level of quality.
- Premium packaging without price increase
- Standardized packaging size and thus easier handling

3. Availability

This document is to inform you that the change will be implemented as of September 2023. Order number and price per 100 pieces will not be changed. In some cases, repackaging for existing inventory will be carried out in our logistics centers, which may result in some adjustments to existing orders. Customers will be informed in such cases.

4. Affected parts

A list of the affected articles can be found in the appendix.

5. Data

All technical data and functional features are unaffected by this measure.
Detailed information on the technical data can be found for the individual products in the online catalog.

We are very sorry for all the inconveniences caused and doing everything to adjust this product change as smooth as possible without big influence on delivery times and general functions.
