

## Change of indicators for the MPS product family

Dear Madam or Sir,

Product adaptations serve the purpose of continuous product and/or process improvement. The listed products are delivered in a modified version. Please pass this product information on to your employees and, if needed, to your customers.

### 1. General Overview

Type of notification: ☒ PCN ☐ PDN ☒ Short-term action

#### Short-term action due to:

- |  |  |
|--|--|
| <input type="checkbox"/> Software / Firmware Bugfix                | <input checked="" type="checkbox"/> Short term delivery stop by supplier |
| <input type="checkbox"/> Short term recall by supplier             | <input type="checkbox"/> Force majeure                                   |
| <input type="checkbox"/> Product improvement with customer benefit | <input type="checkbox"/> other   |

### 2. Technical changes

As part standardization of the appearance across all SNAP IN products, the indicator of the new version will now be entirely green. Material, shape, and function remain identical, only the black printing on the front side has been removed.

### 3. Availability

This letter is to inform you that the change will be implemented in production from July 2025. There will be no stock adjustment. As a result, the variants may be mixed within a delivery from this date, but not in a packaging unit.

---

## 4. Affected parts

---

A list of the affected articles can be found in the appendix.

---

## 5. Data

---

All technical data and functional features are unaffected by this measure.  
Detailed information on the technical data can be found for the individual products in the online catalog.

---

We are very sorry for all the inconveniences caused and doing everything to adjust this product change as smooth as possible without big influence on delivery times and general functions.

For further questions please contact your sales office directly. All contacts for sales representatives are available here:
