

## Technical change to RS RD/RI Interfaces

Dear Madam or Sir,

The products listed below are subject to a product change and will be supplied in a modified revision. Please pass this product information on to your employees and, if needed, to your customers. All modifications mentioned have been made to support our ongoing commitment to continual improvement and ongoing product development.

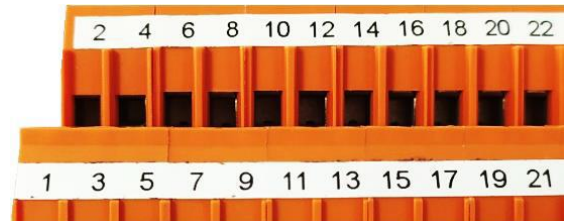

### 1. Initial situation

Articles on Section 5 were delivered in the past with LP 5.08, LP1N 5.08 and LP2N 5.08 connectors. In addition, they were delivered with Dekafix\*

\*Dekafix is the universal marker for terminals, plug-in connectors and electronic modules from the Weidmüller product range (see detail).

## 2. Technical change

Based on continuous improvement, the LP family connectors mentioned in Section 1 will be replaced by LL family connectors.  
Furthermore, all the connectors will be marked with KSW strip markers.

## 3. Reason for change

Obsolescence of LP, LP1N and LP2N connector range.

## 4. Availability

Current products in stock still have old connectors. Since today new productions will be with new modifications detailed above.
