

Technical change to SKH Card holders

Dear Madam or Sir,

The products listed below are subject to a product change and will be supplied in a modified revision. Please pass this product information on to your employees and, if needed, to your customers. All modifications mentioned have been made to support our ongoing commitment to continual improvement and ongoing product development.

1. Initial situation

Articles on Section 5 were delivered in the past with LP and LP2N connectors. Furthermore, they were delivered with Dekafix*

*Dekafix is the universal marker for terminals, plug-in connectors and electronic modules from the Weidmüller product range (see detail).

DEKAFIX detail

KSW detail

Representative SKH Card holder

2. Technical change

Based on continuous improvement the LP connectors will be replaced by LL connectors with KSW strip markers.

Old version

LP 5.0x

Mating
compatibility

New version

LL 5.0x/90

3. Reason for change

Obsolescence of LP connector range.

4. Availability

Current products in stock still have old connectors. Since today new productions will be with new modifications detailed above. This will be reflected on its KKZ or compatibility indicator which will be increased. As time goes on, products with old compatibility codes will decrease until end of stock following a FIFO process. FIFO stands for *First in – First out* in our stock locations

5. Affected parts

0106161001 SKH D32 LP 5/16
0107661001 SKH D32 LP 5/16

6. Data

PCN-number: 20220913

Date of publishing: 13-09-2022

This document has indefinite validity from today

We are very sorry for all the inconveniences caused and doing everything to adjust this product change as smooth as possible without big influence on delivery times and general functions.

For further questions please contact your sales office directly. All contacts for sales representatives are available here: www.weidmueller.com/contact

Best regards

Product Management
