

Change of the knurled screw for the BVZ 7.62HP; BVDF 7.62HP and SVZ 7.62HP product families

Dear Madam or Sir,

Product adaptations serve the purpose of continuous product and/or process improvement.
Please pass this product information on to your employees and, if needed, to your customers

1. General overview

Type of notification: ☒ PCN ☐ PDN ☐ Short-term action (<6 months)

Short-term action due to:

- | | |
|--|---|
| ☐ Software / Firmware Bugfix | ☐ Short term delivery stop by supplier |
| ☐ short term recall by supplier | ☐ Force majeure |
| ☐ Product improvement with customer benefit | ☐ other |

2. Technical change

The geometry of the knurled screw, which is used to fix the plug connector to the pin header, has been revised.

3. Availability

This letter is to inform you that the change will be implemented in production from August 2024. There will be no stock adjustment. Therefore, from this point in time, there may be mixes of the variants within a delivery, but not in a packaging unit.

5. Technical data

Apart from the geometry of the knurled screw, all technical data and functional features are not affected by the change. Detailed information on the technical data can be found for the individual products in the online catalog.

We are very sorry for all the inconveniences caused and doing everything to adjust this product change as smooth as possible without big influence on delivery times and general functions.

For further questions please contact your sales office directly. All contacts for sales representatives are available here:
