

Technical change to IE-ANT-WL-DB-MIMO-PD-RPSMAM (Wi-Fi antenna)

Dear Madam or Sir,

the products listed below are subject to a product change and will be supplied in a modified revision. Please pass this product information on to your employees and, if needed, to your customers. All modifications mentioned have been made to support our ongoing commitment to continual improvement and ongoing product development.

1. Initial situation

Product revision change due to phase out of previous antenna.

2. Technical changes

- 1.) Added 1 antenna element with additional 2 RP-SMAM connectors.

Article name	Article number	Amount of connectors / cables current version	Amount of connectors / cables new version
IE-ANT-WL-DB-MIMO-PD-RPSMAM	2788080000	2 RP-SMAM connectors	4 RP-SMAM connectors

2.) 1 antenna element with 2 RP-SMAM connectors were added.
Refer to below figures for more details.

Current version	New version
	
1 antenna element was added, therefore 2 additional RP-SMAM connectors can be found.	

Besides the changes shown under section “Technical changes”, there are no other changes in the product’s form, fit or functionalities.

3. Reason for change

Phase out of previous antenna.

4. Availability

From now on.

5. Data

- PCN-number: PCN-PN48-20180917-01-A
- date of publishing: 21st february 2024
- revision number: A

We hope that the changes will benefit your business and will not affect you in any significant way and apologies in case of any inconvenience caused. Please rest assured that we will do everything possible to achieve this product change as smoothly as possible with minimum or no business disruption.

For further questions or if you need any additional assistance or information, please contact your local sales office directly. All contacts for sales representatives are available here: <http://www.weidmueller.com/contact>
