

Product Discontinuation of the RGBW - Weidmüller Industry Light

Dear Sir or Madam,
the products listed below are intended to be discontinued and will no longer be available after a transitional period. Please pass on this product information to your employees and possibly to your customers. This product discontinuation is the result of our ongoing commitment to continuously improve our products for you.

1. Initial situation

Due to market requirements and the prevailing shortage of materials, we are adapting the existing portfolio by making technical changes to Weidmüller Industry Light. As a result, the RGBW lighting is being discontinued as it is no longer technically realizable.

2. Schedule

The affected items can be ordered while stocks last or until the end of June. The alternative items are already available.
