

## Technical change to DRIKIT...PB

Dear Madam or Sir,

the products listed below are subject to a product change and will be supplied in a modified revision. Please pass this product information on to your employees and, if needed, to your customers. This product change is the result of our ongoing commitment to continuously improve our products for you.

### 1. Initial situation

Additional to the integrated status indication LED, the product offers a mechanical switch-position indicator.

### 2. Technical change

Mechanical switch-position indicator will be substituted by the status indication LED

Old version

New version

### 3. Reason for change

Status indication via LED is most used in the market.

### 4. Availability

The changeover will start in Q2 2021. We will avoid mixed deliveries.
